

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

AXIS Insurance Company values its relationship with you. Protecting the privacy of the information we have about you is of great importance to us. We want you to understand how we protect the confidentiality of information as well as how and why we use and disclose it. We are required by law to maintain the privacy of protected health information and to provide you with notice of our legal duties and privacy practices with respect to this information. "Protected health information" includes any individually identifiable information that we obtain from you or others that relates to your physical or mental health, the health care you have received, or payment for your healthcare.

This privacy policy applies to student health policies underwritten by AXIS Insurance Company. This notice explains your rights. It also explains our legal duties and privacy practices. We are required by federal law to give you this notice. We reserve the right to change the terms of this notice, and should that occur, we will provide you with a copy of the new notice.

HOW WE MAY USE AND DISCLOSE YOUR PROTECTED HEALTH INFORMATION

We use and disclose your Protected Health Information (PHI) for the purposes of your treatment, for payment and for health care operations. Not every use or disclosure in a category is listed. However all of the ways that we may use or disclose PHI will fall within one of these categories.

Your Authorization: Except as outlined below, we will not use or disclose your PHI for any purpose unless you have signed a form authorizing use or disclosure. You may take away this authorization at any time, in writing. We will then stop using your PHI for that purpose. But, if we have already used or shared your PHI based on your authorization, we cannot undo any actions we took before you told us to stop.

For Payment: We use and disclose PHI as necessary for payment purposes. For example, we may use your PHI to process a claim or may give information to a doctor's office to confirm your benefits.

For Health Care Operations: We use and disclose PHI for our health care operations such as customer service, premium rating, fraud and abuse prevention and detection, and other functions related to your health policy. For example, we may use PHI to review the quality of care and services you get. We may also use PHI to provide you with case management or care coordination services.

For Treatment Activities: We do not provide treatment. This is the role of a health care provider such as your doctor or a hospital. But, we may share PHI with your health care provider so that the provider may treat you.

To Others: You may authorize us in writing to give your PHI to someone else for any reason. Also, if you are present, and provide authorization, we may give your PHI to a family member, friend or other person. We would do this if it has to do with your current treatment or payment for your treatment. If you are unavailable, incapacitated, or facing an emergency medical situation, we may share limited PHI with a family member, friend or other person if sharing your PHI is in your best interest.

As Allowed or Required by Law: We may also use or disclose your PHI, as allowed by federal law, for many types of activities. PHI can be shared for health oversight activities. It can also be shared for judicial or administrative proceedings, with public health authorities, for law enforcement reasons, and to coroners, funeral directors or medical examiners (about decedents). PHI can also be shared for certain reasons with organ donation groups, for research, and to avoid a serious threat to health or safety. It can be shared for special government functions, for workers' compensation, to respond to requests from the U.S. Department of Health and Human Services and to alert proper authorities if we reasonably believe that you may be a victim of abuse, neglect, domestic violence or other crimes. PHI can also be shared for any purpose as required by law.

We may share PHI with the sponsor of the plan or use in the administration of the plan. Plan sponsors that receive PHI are required by law to have controls in place to keep it from being used for reasons that are not proper.

YOUR HIPAA PRIVACY RIGHTS

Access to Your PHI

You have the right to obtain a copy and inspect specific items of your PHI, such as your policy or claim information, for as long as we maintain it. We may deny your request to access certain PHI, as permitted or required by law. We may require your request for access in writing. Your request for access should contain as much detail as possible regarding the PHI you wish to review. We may charge a reasonable fee for access to your PHI.

Amendments to Your PHI

You have the right to request that the PHI we maintain about you be amended or corrected if you believe it is incorrect. We are not legally obligated to make all requested amendments but will give each request appropriate consideration. Requests for amendment must be in writing and must state the reasons for the amendment request.

Accounting for Disclosures of Your PHI

You have the right to request an accounting of certain disclosures made by us of your PHI. Examples of disclosures that we are required to account for include those to state insurance departments, pursuant to valid legal process, or for law enforcement purposes. Requests must be made in writing. We are not legally obligated to provide an accounting of every disclosure but will give each request appropriate consideration. The accounting will not include disclosures made prior to June 1, 2011.

Restrictions on Uses and Disclosures of Your PHI

You have the right to request restrictions on certain uses and disclosures of your PHI for treatment, payment, or health care operations by notifying us of your request for a restriction in writing. We are not legally required to agree to your restriction request but will give each request appropriate consideration.

Confidential Communication of PHI

You have the right to request to receive communications from us regarding your PHI by another method of contact or at an alternative address. We will accommodate reasonable requests, which must clearly state that disclosure of all or part of the information could endanger your health or safety.

Right to a Copy of the Notice – You have the right to a paper copy of this Notice upon request by contacting us at the telephone number or address below.

Potential Impact of Other Applicable Laws

HIPAA (the federal privacy law) generally does not preempt, or override other laws that give people greater privacy protections. As a result, if any state or federal privacy law requires us to provide you with more privacy protections, then we must also follow that law in addition to HIPAA.

Complaints

If you think we have not protected your privacy, you can file a complaint with us. You may also file a complaint with the Office for Civil Rights in the U.S. Department of Health and Human Services in Washington, D.C. We will not take action against you for filing a complaint.
