

Women's Health & Cancer Rights Act

If you have had or are going to have a Mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). If you are receiving Mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and patient for:

- a. Reconstruction of the breast on which the Mastectomy was performed;
- b. Reconstruction of the other breast to produce a symmetrical appearance;
- c. Prosthesis;
- d. Treatment of physical complications from all stages of Mastectomy, including lymphedemas.

Coverage will be subject to the same plan limitations, copays, deductible and coinsurance provisions that currently apply to Mastectomy coverage and will be provided in consultation with you and your attending physician.
